Tools: Google Classroom-style LMS, gradebook systems, assessment dashboards, presentation tools

EXPERIENCE

Public Middle School

English Language Arts Teacher

Aug 2021 - Present

- Teach 120 students across 5 sections of grade 7 ELA, designing standards-aligned units with reading, writing, discussion, and formative assessment checkpoints.
- Increased benchmark writing proficiency by 14 points by implementing rubric-based feedback, revision cycles, and small-group conferences.
- Collaborate with special education and multilingual learner teams to adapt lessons, support IEP/504 accommodations, and monitor student progress.
- Built family communication cadence through weekly updates and targeted outreach, improving assignment completion for students needing additional support.

Public Elementary School

Student Teacher

Jan 2021 - May 2021

- Planned and delivered small-group literacy lessons for 18 students, using exit tickets and running records to adjust instruction.
- Co-taught intervention block for readers below benchmark, documenting fluency progress and next-step supports for mentor teacher review.
